And whereas under the provisions of this Act application has been made to constitute as a pound district all that tract of land in the Dewdney District situated in Townships 17, 18, 20, and 21, east of Coast meridian (New Westminster District), which may be more particularly described as follows: Commencing at a point where the west boundary of Lot 462, Group 1, New Westminster District, intersects the northerly boundary of the right-of-way of the Canadian Pacific Railway; thence northerly and easterly along the west and north boundaries of said Lot 462 to point where said north boundary is intersected by the east boundary of the N.W.  $\frac{1}{4}$  of Section 32 in Township 20; thence north along the east boundary of said quarter-section to the north boundary of said Township 20; thence west along the north boundary of said township to the south east corner of

Township 18; thence north along the east boundary of said Township 18 to the quarter-section corner on the east boundary of Section 13 in said Township 18; thence west along the centre lines of Sections 13 and 14 to the west boundary of said Section 14; thence south along the west boundaries of Sections 14, 11, and 2 in said Township 18 to the south-west corner of said Section 2; thence east along the south boundary of said Section 2 to the shore of Hatzic Lake; thence southerly along the shore of said Hatzic Lake to the point where same is intersected by the east boundary of the W.  $\frac{1}{2}$  of the N.W.  $\frac{1}{4}$  of Section 25 in Township 17; thence south along the said east boundary to the north boundary of Lot 476, Group 1; thence east and south along the north and east boundaries of Lot 476 to the point where the said east boundary is intersected by the south boundary of the N.W.  $\frac{1}{4}$  of said Section 25; thence east and south along the north and east boundaries of the S.W.  $\frac{1}{4}$  of said Section 25 to the north boundary of the right-of-way of the Canadian Pacific Railway; thence easterly along the northerly boundary of said right-of-way to the point of commencement:

And whereas notice of intention to constitute such district a pound district was given in accordance with the requirements of the Act, and following such notice objection was made by certain proprietors within the proposed pound district:

And whereas a further notice was published requiring a majority of the proprietors within the proposed pound district to forward a petition requesting that the proposed pound district be constituted:

And whereas in response to the latter notice thirty-four persons of the total number of fifty-three persons qualified to sign the petition have signified their approval of the application:

And whereas the Act provides that if the petition of the majority of the proprietors be forwarded to the Minister of Agriculture, then in such case the proposed pound district may be constituted:

## LEGISLATIVE ASSEMBLY.

## PRIVATE BILLS.

EXCERPT FROM RULES AND ORDERS RELATING TO  
PRIVATE BILLS.

## RULE 76.

ALL APPLICATIONS for Private Bills, properly the subject of legislation by the Legislative Assembly of British Columbia, within the purview of the "British North America Act, 1867"—whether for the erection of a Bridge, the making of a Railway, Tramway, Turnpike Road, Telegraph or Telephone Line; the construction or improvement of a Harbour, Canal, Lock, Dam, Slide, or other like work; the granting of a right of Ferry; the incorporation of any particular trade or calling, or of any Joint-stock Company; or otherwise for granting to any individual or individuals any exclusive or peculiar rights or privileges whatever, or for doing any matter or thing which in its operation would affect the rights or property of other parties, or relate to any particular class of the community, or for making any amendment of a like nature to any former Act—shall require the publication of a notice clearly and distinctly specifying the nature and object of the application, and when the application refers to any proposed work, indicating sufficiently the location of the work, to be signed by or on behalf of the applicant. Such notice shall be published in the British Columbia Gazette and in one daily and one weekly newspaper freely circulating in all parts of the Province. When the proposed Private Bill is of a local nature, the notice shall be furthermore published in some newspaper in the electoral district affected, or if there be no newspaper therein, then in the nearest electoral district in which a newspaper is published. Such notice shall in all cases be continued for a period of six weeks during the interval of time between the close of the next preceding Session and the consideration of the petition.

72. No Petition for any Private Bill shall be received by the House after the first ten days of each Session, nor may any Private Bill be presented to the House after the first three weeks of each Session, nor may any Report of any Standing or Select Committee upon a Private Bill be received after the first four weeks of each Session, and no Motion for the suspension or modification of this Rule shall be entertained by the House until the same has been reported on by the Committee on Standing Orders, or after reference made thereof at a previous sitting of the House to the Standing Committee charged with consideration of Private Bills, who shall report thereon to the House. And if this Rule shall be suspended or modified as aforesaid the promoters of any Private Bill which is presented after the time hereinbefore limited, or for which the Petition has been received after the time hereinbefore limited, shall in either case pay double the fees required as herein mentioned, unless the House shall order to the contrary. Any person seeking to obtain any Private Bill shall deposit with the Clerk of the House, eight clear days before the opening of the Session, a printed copy of such Bill, a copy of the Petition to be presented to the House, *together with copies of the notices published.* Such publication to be proved by affidavit or declaration to the satisfaction of the Clerk of the House. At the time of depositing the Bill, the applicant shall also pay to the Clerk of the House the sum of three hundred dollars. If a copy of the Bill, Petition, and notices shall not have been so deposited in the hands of the Clerk of the House at least eight clear days before the opening of the Session, and if the Petition has not been presented within the first ten days of the Session, the amount to be paid to the Clerk shall be six hundred dollars. If the Bill shall not pass second reading one-half of the fees paid shall be returned.

77. Before any Petition, praying for leave to bring in a Private Bill for the erection of a Toll Bridge, is received by the House, the person or persons intending to petition for such Bill shall, upon giving the notice prescribed by Rule 76, also at the same time and in the same manner give

notice of the rates which they intend to ask, the extent of the privilege, the height of the arches, the interval between the abutments or piers for the passage of rafts and vessels, and mentioning also whether they intend to erect a drawbridge or not, and the dimensions of the same.

78. All Private Bills for Acts of Incorporation shall be so framed as to incorporate by reference the clauses of the General Acts relating to the details to be provided for by such Bills. Special grounds shall be established for any proposed departure from this principle, or for the introduction of other provisions as to such details, and a note shall be appended to the Bill indicating the provisions thereof in which the General Act is proposed to be departed from. Bills which are not framed in accordance with this Rule shall be recast by the promoters and reprinted at their expense before any Committee passes upon the clauses.

82. All Private Bills shall be prepared by the parties applying for the same, and printed in Small Pica type, twenty-six ems by fifty ems, on good paper, in imperial octavo form, each page when folded measuring  $10\frac{1}{4}$  inches by  $7\frac{1}{2}$  inches. There shall be a marginal number every fifth line of each page; the numbering of the lines is not to be run on through the Bill, but the lines of each page are to be numbered separately. Three hundred copies of each Bill shall be deposited with the Clerk of the House immediately before the first reading. If amendments are made to any Bill during its progress before the Committee on Private Bills, or through the House, such Bill shall be reprinted by the promoters thereof.

By Rule 83, a model form of Railway Bill is adopted. A copy of same can be obtained upon application to the Clerk.

All bills to incorporate or amend Bills incorporating railway companies are to be drawn in accordance with the Model Bill.

The provisions contained in any Bill which are not in accord with the Model Bill shall be inserted between brackets.

Any exceptional provisions that it may be proposed to insert in any such Bill shall be clearly specified in the notice of application for the same.

In the case of Bills to Incorporate Companies, in addition to the fee of \$300 mentioned in Rule 72, fees calculated on the capital of the company are payable at the same time. Further particulars can be had on application to the undersigned.

Every Petition for a Bill to incorporate a company shall state the name of the proposed company.

Petition signed by agents or attorneys must be accompanied by the authority of such agent, etc.

## DOMINION ORDERS IN COUNCIL.

P.C. No. 636.

CERTIFIED COPY OF A MINUTE OF A MEETING OF THE COMMITTEE OF THE PRIVY COUNCIL, APPROVED BY HIS EXCELLENCY THE GOVERNOR-GENERAL, ON THE 30TH APRIL, 1925.

THE Committee of the Privy Council have had before them a report, dated 22nd April, 1925, from the Minister of the Interior, stating that an application has been made by Mr. George Dillabough, of Sicamous, to lease a parcel of foreshore containing 0.47 acre fronting property which he owns in Section 36, Township 21, Range 8, west of the sixth meridian, as shown coloured pink on the plan attached hereto.

The property is required for the erection of a shingle and saw mill and is reported to be the most suitable place in the neighbourhood for this purpose.

The site has been inspected and favourably reported upon by an engineer of the Department of Public Works and by an agent of the Department of the Interior, and the application has the approval of the Department of Marine and Fisheries.

The Minister therefore recommends that he be authorized to issue a lease to Mr. Dillabough for the required foreshore for a term of ten years at an annual rental of five dollars (\$5), renewable for a further period of ten years upon such terms and conditions as may be prescribed by Your Excellency in Council, and that the lease be subject to cancellation upon six months' notice and to be on such other terms and conditions as the Department of Justice may consider advisable.

The Committee concur in the foregoing recommendation and submit the same for approval.

*Clerk of the Privy Council.*

*The Minister of the Interior.*

P.C. No. 586.

CERTIFIED COPY OF A MINUTE OF A MEETING OF THE COMMITTEE OF THE PRIVY COUNCIL, APPROVED BY HIS EXCELLENCY THE GOVERNOR-GENERAL, ON THE 18TH APRIL, 1925.

THE Committee of the Privy Council have had before them a report, dated 15th April, 1925, from the Minister of the Interior, stating that, notwithstanding the fact that the regulations governing the granting of licences and permits to cut timber on Dominion lands in the Prairie Provinces, and in the Railway Belt in the Province of British Columbia, provide that all timber cut must be manufactured within the Dominion of Canada, the Campbell River Mills, Limited, which were operating Timber Berth No. 55 located on the International Boundary in the Railway Belt, were granted, by Order in Council of the 8th April, 1924 (P.C. 554), an interim permit for six months, authorizing them to sell in the United States the cedar cut on the southern portion of the berth, subject to dues at \$2 per thousand feet B.M. on logs grading No. 1, and \$1.50 per thousand feet B.M. on logs grading No. 2, and \$1 per thousand feet B.M. logs grading No. 3. It was represented that, owing to the physical features of the district, in order that the timber might be manufactured within the Dominion of Canada it would be necessary to transport it through the State of Washington to Bellingham, on the Coast, where it would be dumped into the water and towed to either New Westminster or Vancouver, where shingle-mills are located, a distance of thirty-five and forty miles, respectively.

It was further represented that the Company had lost a considerable portion of their cedar logs in conveying them to New Westminster and Vancouver, rendering their operations unprofitable.

The Minister observes that the interim permit permitting the exportation of cedar having expired, the Company now represent that they still have no Canadian outlet for this cedar timber except by conveying it to Vancouver or New Westminster, which is very difficult; and that last October twenty-eight sections of logs were sold for delivery at Vancouver, which contract they were not able to fill until February of this year and then with a loss of a portion of the boom, making the entire transaction a losing one. In view of these difficulties, the Company ask to be granted permission to export to the United States cedar cut on the southern portion of this berth for another period of six months.

The Minister recommends that the permission asked for be granted, on condition that the rates of dues above referred to be paid on any timber exported, which rates on Grades Nos. 1 and 2 are in excess of those charged under the regulations.

The Committee concur in the foregoing recommendation and submit the same for approval.

(Signed) E. J. LEMAIRE,  
Clerk of the Privy Council.

The Minister of the Interior. 9283-my7
